SUMMER BRIDGE WORKBOOKS

Dear Parents,

I know how hard it can be to keep your children occupied and learning in the summer. I'd like to offer you an exciting new educational summer program that's been endorsed by our faculty and administration: the **Summer Bridge Activities Workbooks**.

Without reinforcement, up to 80% of what children learn during the school year is lost within a month. These workbooks bridge students' summer education gaps. Each book provides a great review of the grade your child is leaving and a preview of the next grade's work. The books also contain helpful hints for parents.

Each workbook includes over 160 pages filled with activities in the following subjects:

- Phonics (lower grades)
- Mathematics
- Reading comprehension & writing
- Science, social studies, character development, and fitness

The deadline to order these workbooks is **(date)**. The cost of each workbook is **\$15.00**. Payment by check (made payable to **school name**) or cash is due no later than **(date)**. The workbooks will be distributed to the students the last week of school.

We appreciate your support and are confident that Ashley Elementary will benefit from this wonderful educational opportunity. Complete the order form at the right and return it with your payment to the office of the principal on or before **(date)**.

Sincerely,
